

**SECUREFISH WORKSHOP AT EFFoST CONFERENCE
ON 27TH NOVEMBER 2-4 PM IN ROOM K1
IMPROVING FOOD SECURITY BY REDUCING POST HARVEST
LOSSES IN THE FISHERIES SECTOR**

**FP 7 EU PROJECT [KBBE.2011.2.5-02] [Reducing post-harvest losses for
increased food security — SICA] (2012 -2015)**

This interactive workshop will address the important issue of Food Security, a major concern for all countries in the face of population increase and diminishing energy and water supplies. To eradicate hunger and poverty, it is essential to reduce post harvest losses, including in the fisheries sector. Key representatives from the SECUREFISH consortium of 13 partners including SMEs, from the UK (Coordinator Prof Nazlin Howell), Portugal, The Netherlands, Kenya, Namibia, Ghana, India, Malaysia and Argentina will address the main objectives and successful outcomes in interactive sessions including:

- Sustainable and novel drying techniques for Europe and developing countries
- Novel gelatin and health promoting bioactive peptides from co-products
- Innovative Quality Management Tool

ALL WELCOME TO ATTEND AND INTERACT!
